

Anti-Aging Package

Is your skin beginning to show signs of aging? Do you have fine lines, dull, loose "crepe-like" appearance with loss of elasticity? Skin follows a biological time line, by decades of life. During our 20's and 30's, the first wrinkles start to appear and skin becomes less resistant as elasticity declines and gravity begins to take hold. In our 40's and 50's repetitive movements form the first permanent wrinkles as genetics, gravity, and a decrease in collagen and Elastin cause skin and muscles to sag.

BioJuvenate Engineered Skin Care has developed a system that addresses special needs during this stage of our lives. With consistent use of our aloe vera-based product line you will experience a renewal of your skin, often experiencing visible improvement after only 10 days.

Anti-Aging Package

First, cleanse with Chamomile Cleansing Milk which helps to remove make-up and surface impurities while restoring the natural pH balance of the skin.

Secondly, exfoliate and refine with our famous Pineapple Enzyme Scrub which uses the latest technology employing Bromelain enzyme and Jojoba beads.

Next, nourish skin cells with our sophisticated Vitinol-A Serum with our scientifically-advanced liposome delivery system that delivers antioxidant vitamins and helps protect the skin from free radical damage.

Now you are ready to moisturize & hydrate with our Collagen-Elastin Day Cream. Topical hydration and moisturization lessen the physical signs of aging.

Finally, we recommend our Bio-Effective Cream Night Cream which offers exceptional skin benefits due to its exclusive properties based on our proprietary Epiderm tissue complex, hyaluronic complex (mucopolysaccharides), natural vitamin complex (A,B,D3 & E), selected botanical extracts and natural amino acids (protein).

Bonus: Use our MicroSilk-C, a unique delicate under eye micro-emulsion with multi-vitamins with effective encapsulated extracts and vitamins in this silky micro-emulsion to help calm, tone, and brighten the tired looking delicate tissue under the eye area.

This system includes every product as described above including the MicroSilk-C (our unique delicate under eye micro-emulsion with multi-vitamins) as your free gift; enough product to last 60 days.

BIOJUVENATE

Vitamin C Package

A liposome encapsulated system of Retinol, Vitamin C, Beta Glucans and Amino Acids. It softens and smoothes while helping to improve skin firmness. Retinol and Ascorbic Acid are potent stabilized anti-aging vitamins that are very effective in helping to visibly reduce the appearance of fine lines, wrinkles, age spots, sun damage, and large pores. Beta Glucans are derived from yeast cell walls and are extremely effective in increasing moisture, activating the immune system of the skin, and inhibiting irritation.

BioJuvenate Engineered Skin Care's Vitamin C Antioxidant Basics are formulas that focus on the fundamentals – from cleansing and toning to moisturizing and rejuvenating – for men, women and children alike. Recent scientific research has shown that vitamin C is a potent antioxidant that is capable of preventing and even reversing the effects of aging on human skin. It is for this reason that we use vitamin C as a key ingredient in our anti-aging formulations. Our rich botanicals infused with antioxidant vitamins, penetrate deep into the skin to protect, condition, and accelerate cell metabolism resulting in better quality, younger looking skin. BioJuvenate's products are highly concentrated and typically each product will, with daily use, last for approximately 60 days.

Antioxidant Basics Package

First begin by cleansing with our very effective Active Cleansing Gel.

Secondly, exfoliate and refine with our famous Pineapple Enzyme Scrub which uses the latest technology employing Bromelain enzyme and Jojoba beads.

Thirdly, tone, firm, tighten pores, and smooth appearance of skin with our very effective pH balanced Eucalyptus Astringent Toner that helps to fight bacteria, to reduce oil secretion, and dry up blemishes.

Next, nourish with our highly-prized biologically-active Vitamin C Serum (hydra-stabilized L-Ascorbic Acid) which helps reduce the visible signs of photo aging by fighting destructive free-radicals.

Then, moisturize with our favorite multivitamin revitalizing cream, Vitaplex-C. A biologically active, anti-aging revitalizing facial cream, with a generous content of vitamins C, A, D, B5, & E, it effectively provides a smoothing, lightening, and antioxidant skin treatment, while helping to stimulate the skin's own protection against UV radiation and environmental stress.

Bonus: Use our MicroSilk-C, a unique delicate under eye micro-emulsion with multi-vitamins with effective encapsulated extracts and vitamins in this silky micro-emulsion to help calm, tone, and brighten the tired looking delicate tissue under the eye area.

BIOJUVENATE

Men's Line Package

Is your skin beginning to show unwanted signs of aging? Are you unhappy with the quality of your skin's texture and feel? Do you have large pores, fine lines, dull complexion, occasional breakouts, or redness from shaving? Through the latest scientific research, BioJuvenate puts the control back into your hands to do something to remedy the problem. Skin follows a biological time line, by decades of life. During our 20's and 30's the first wrinkles begin to appear and skin becomes less resistant as elasticity declines and gravity begins to affect our appearance. In our 40's and 50's repetitive movements form permanent wrinkles as genetics, gravity, environment, a decrease in collagen and Elastin cause skin to sag.

BioJuvenate Engineered Skin Care has developed a skin care regimen for men that address these special needs. With consistent use of our aloe vera-based product line, you will experience a renewal of your skin, often observing visible improvement after only 10 days. Our rich botanicals infused with antioxidant vitamins, penetrate deep into the skin to protect, condition, and accelerate cell metabolism resulting in better quality, younger looking skin. BioJuvenate's products are highly concentrated and typically each product will, with daily use, last for approximately 60 days. *Receive our favorite MicroSilk-C eye cream (a \$38.00 value) as a FREE GIFT with the purchase of our complete Men's Line Regimen.

Men's Line Regimen

First begin by cleansing with our very effective Active Cleansing Gel. Secondly, exfoliate with our herbal-based Bamboo Scrub. IT effectively removes excess surface cells, lifts away dull, dry skin for improved texture and healthy clarity.

Thirdly, tone, firm, tighten pores and smooth appearance of skin with our refreshing Menthol Astringent which helps fight bacteria and oiliness on skin with a tendency to break out. Improves overall skin quality.

Next, nourish skin cells with our sophisticated Vitinol-A Serum with our scientifically-advanced liposome delivery system that delivers antioxidant vitamins and helps protect the skin from free radical damage.

Then, moisturize with our favorite multivitamin revitalizing cream, Vitaplex-C.

Finally, as an after shave for razor burn razor bumps or ingrown hair, we recommend Calming Mint Gel.

Bonus: Use our MicroSilk-C, a unique delicate under eye micro-emulsion with multi-vitamins with effective encapsulated extracts and vitamins in this silky micro-emulsion to help calm, tone, and brighten the tired looking delicate tissue under the eye area.
